JMGA Conference 2013
Brisbane
12 -14 July 2013

UPDATE

Participation + Exchange *valuing the participative community*

JMGA CONFERENCE 2013

12-14 JULY 2013 State Library of Queensland.

The conference is less than 12 months away! Things are falling into place and we are pleased that 12-14 July 2013 is looking like a busy and productive time for jewellers and metalsmiths. Our program of satellite events including exhibitions and masterclasses will take place from early July for 2 weeks or so...including Graduate Metal 13, and a JMGA delegates exhibition.

Most events will take place in the South Bank area of Brisbane, at the State Library of Queensland and Queensland College of Art Griffith University. The South Bank area is filled with cafes, restaurants and parklands and of course has the added bonus of QAG and GOMA. Thanks to the marathon recovery efforts of the community and government you will not find a trace of the January 2011 flood damage to this area.

**New Jewellery Workshop
Open Day 28th October
10am - 3pm**

Some of you may already be aware that I have set up a new jewellery workshop with my colleague and well known jeweller Philip Noakes. We are in the process of fitting the place out and it looks amazing! We are planning on running classes for beginners and more advanced, specialist technique workshops, casual bench rental and workshop usage, design talks and lots of information about contemporary jewellery in general.

We are having an open day on Sunday **28th October** between 10am and 3pm. If you are interested in what we can offer you or you just want a nosy at what we are doing, please come down and see us at **Unit 4, 77-79 Howe Street Osborne Park.**

We are both really excited about getting up and running, so if you know anyone interested in learning about contemporary jewellery, interested in learning to make jewellery or wanting to expand their existing skills please come down on Sunday and say Hi.

If you would like further information you can call me on **0439762647** or check out our facebook page; **facebook/Contemporary Metal**

Thanks and hope to see you on the 28th,

Claire Townsend
