If you are sending images, please send them as an attachment in .jpg format. The next deadline is **8th November**.

Art Gallery Visit

We are organising a visit to the Art Gallery of Western Australia to view some items from their contemporary jewellery collection (1960s - present). We are currently looking at **Monday 13th March or Wednesday 15th March 2017**. There is a limited number of people permitted in the collection stores at a time, so two groups may be necessary. Could you please email your preference of either Monday or Wednesday ASAP to Hannah at newsletter@jmgawa.com.au and we will go with the majority.

A new jewellery gallery called Bini Gallery has opened up in Collingwood, Victoria. For more information, visit their website <http://www.binigallery.com.au/>

Federal funding has been cut to tertiary jewellery courses.

Members News

Congratulations to Philip Noakes who has been appointed as a Fellow of the Institute of Professional Goldsmiths, London. <http://www.ipgoldsmiths.com/> Philip also provided JMGA WA members a very engaging talk on the jewellery industry in London, Europe and advances in jewellery equipment at the September general meeting.

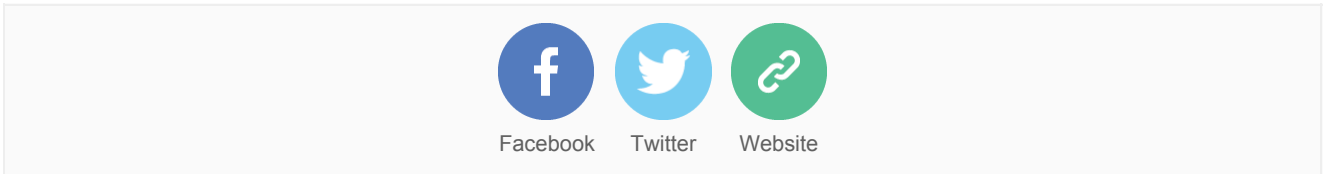

Jewellery by Alister Yap
Photographed by Yasmin Khatami 2016

In 2012 when I moved to Perth I decided to establish Yasmin Photo Studio at the same time I started a Jewellery design course at Tafe. Having the background of working as a professional photographer, I have had the chance to work with some of well-known Jewellery Designers and managed to show the delicacy and beauty of handmade pieces of art in visual formats. Now, after four years when I look back, I know that my business is in the right way yet exciting adventures ahead!

The JMGA WA Pin Swap and end of year Christmas Party is to be held at Doubleview Bowling Club on **Monday 28th November**. Please bring a plate and a handmade pin. More details TBC.
